

Charity Champion Pack

About Us

Hounds for Heroes provides specially trained assistance dogs to those serving or served in HM Armed Forces and the Emergency Services who have become physically disabled through illness or injury.

Hounds for Heroes are extremely lucky to work with Charity Champions from across the country, who help us to continue our mission of placing specially trained assistance dogs leading to an enhanced quality of life.

A heartfelt thank you to all our Charity Champions who enable us to create profound changes and transform the lives of our heroes.

Getting Started

However you are planning to fundraise, thinking through these points will help to make your event a success.

Who? Do you want to come, how will you invite them? Will posters be enough or will you need to use social media?

Get Chatting Ask friends and family to support you. Who can you ask to promote your event? Are local shops or community centres willing to help?

What? Not sure what to do yet, then download the [A-Z fundraising ideas \(gofundme.com\)](#).

When? It is best to avoid dates when other large events are taking place and make sure it isn't too late on a school night.

Matchfunding? Don't forget to ask your employer if they will match your fundraising.

Tell us about your event by completing this form [Register your event | Hounds for Heroes](#) and download your free [Fundraising Materials | Hounds for Heroes](#).
